**All Proceeds Go To Support the Needs of Local Children**

### WHO WE ARE

In the Cullman Kiwanis Club you will discover a fellowship of dynamic, service-minded individuals who connect together for the betterment of our community. You will find dedicated citizens that are committed to volunteer service and an organization that truly cares about the future of Cullman, Alabama, and the World. Our motto: “Serving The Children Of The World” and our mission statement: “Kiwaniis Is A Global Organization Dedicated To Improving The World One Child And One Community At A Time” explains our existence.

### WHAT WE DO

The Cullman Kiwanis Club is a very dedicated and active organization. Throughout the year our club receives numerous requests for monetary help or service queries. The following are a few of our annual projects:

#### • **READING IS FUNDEMENTAL**

We purchase various books for the Head Start centers throughout Cullman City and Cullman County. Kiwanians will visit the sites and read the books to the pre-kindergarten students. The students are then allowed to keep the books and carry them home.

#### • **HOLIDAY FOOD BASKETS**

The Cullman Kiwanis Club receives the names and addresses of families that need help during the Christmas Holiday Season. Food supplies are purchased and loaded into boxes that are delivered by Cullman Kiwanians. Usually 25 families are provided with the special Christmas gifts.

#### • **KEY CLUB SCHOLARSHIPS**

Every year the Cullman Kiwanis Club supports Key Clubs at High Schools, Builders Clubs at Middle Schools, and Circle K at Colleges to instill the values of servant volunteerism, leadership skills, citizenship on our youth and young adults.

#### • **KNAPSACK MINISTRY**

The Cullman Kiwanis Club offers monetary assistance and help with the Knapsack Ministries. This project supplies elementary students with nourishing foods for the weekend to ensure that no child goes hungry.

#### • **Hope Horses**
